## WET WEATHER

9952 8244

Message recorded daily at 2.30pm advising of ground closures.

## White & Red Dinner This Friday

Well the White & Red dinner is just around the corner and the final touches are being organised by the Social Committee.

With Danny Fai Fai, Last Man Standing, Bottle Toss, Monster Raffle, Live Auctions not to mention good food, good company and a whole night to enjoy it in, we are sure to have a cracking evening.

The Social Committee have worked hard to ensure that this year tops last year's outstanding event so make sure you come with your party boots on.

Pauline will be collecting hampers from the training sessions on Thursday night. If you are unable to have your hamper there please contact Pauline to make alternative arrangements.

There are a limited number of tickets left, if you require tickets please send an email to northrydehawks@bigpond.com. See you Friday!

## Sponsor Profile

G & A Bowman Plumbing Services has been operating in the North Ryde area for 15 years and covers much of Sydney.

A Gladesville local, Geoff offers a full plumbing service from simple maintenance such as water leaks, hot water heaters, taps and toilets to more complex plumbing design and installation.

Able assisted by wife Allison as the company's administrator, G & A Bowman provides plumbing services across greater Sydney.

The Bowmans have been affiliated with the Hawks for close to eight years when their son Andrew decided to play Rugby League with the Hawks U7s. He is now a part of the mighty U14s.

Having become associated with the club, the Bowmans association has extended from parent, to committee member, to sponsor, host and storage facility!

"The Hawks is a great club and has gotten better every year we have been associated with it"

## G & A BOWMAN PLUMBING SERVICES

♦ PLUMBER ♦ DRAINER ♦ GAS FITTING ♦ ROOFING  
♦ GUTTERING ♦ LPG ♦ HOT & COLD WATER SERVICES

**GEOFF BOWMAN**  
0414 544 480

said Geoff. "It is good fun, made up of good people and it even makes dealing with Bruce\* more tolerable."

As a first-year sponsor, G&A Bowman plumbing services are looking forward to a long affiliation with the best rugby league club in the Balmain district.

**HAWKS HAWKS MIGHTY HAWKS!**

# Interview with a Hawk Family

By the Great CB

## What is your name?

My name is Amanda King.

## How long have you been with the Hawks?

We have been with the Hawks for almost two years.

## How many children do you have playing with the club?

I have one child playing with the club this year [Macey Karhani plays with the U7s] and I have another child who will be playing next year.

## What do you like about this club?

I love the family atmosphere and the weekly gatherings

back at the club.

## Do you think the Great CB is greater than the Great RR?

I absolutely think the Great CB is better than the great RR.

*The Great CB: You think? I know.*

## U6 Whites Shame Shamrocks

This week started with Brock going to the Manly Warringah Development Day.

He got some great training advice from Glenn Stewart and the boys.

Sunday saw the U6 Whites going up against Dundas Shamrock Whites at St Patrick's. Our Captain **Lachlan Rutherford** kicked off to get proceedings underway. All the players this week had a fantastic game, they backed each other up when needed. Again **Brandon Thomas** pulled off some great tackles, Lachlan was never far behind to help out.

**Patrick Toms** was again this week's little star, he made several dashes up the field and this saw him scoring not only his first try of the season, but

getting a double. He also tried to bring down a Shamrock's player when no one else could, but the boy was just too fast for him. Brock also scored his first try of the season. Seeing the two smallest and youngest players on the team scoring their first tries of the season made our usual rowdy bunch of supporters even rowdier.

I am really proud of the U6 Whites, as they have come along way since the start of the season. The boys are now lining up with the referee and listening to what he had to say instead of waiting for directions from me. I hope we can keep up the great work.

There were so many great tries and tackles in the game that it would take too long to

list them all. "The Player of the Game" as decided by our trainer **Joe Biondi** was **Brock Robinson** for his great improvement during the game.

Thank you to Joe & Janette Biondi for supplying the team this week with oranges.

Try scorers: **Elijah Chahine** (2), **Samuel Bell** (2), **Patrick Toms** (2), **Isaac Biondi** (1), **Brandon Thomas** (1), **Levi Locantro** (1) and **Brock Robinson** (1)

**Alex Robinson (Coach)**

**Brock Robinson** representing the Hawk at the Manly Development Day.

## U6 Reds - Hot!

Unlucky for some, Round 13 did not daunt our **Red-Hot-Super-Sixes**. This coach drove to Airey Park with a **RED** oil pressure light flashing and got home with distressing noises from the old and otherwise dependable Toyota.

Every player delivered their best rugby league this week. Individual skills were very good. Teamwork not so good – but that's what we get from

no training due to the weather.

First period was frustrating, Captain **Maxx** decided to receive, which was a clever choice but those Dockers got their own ball back. Their retention was terrible but when we got the ball we ran right; right over the sideline. Thankfully, **Ivan** was like that previously reliable Camry and scored two tries beside the posts.

We could have sold tickets for the second period. Suddenly Dockers had a full team with a bench and that included some big units. But in answer to our prayers came **Tylah** with her Man of the Match performance. Tackling was as good as before the bad weather. Everyone was good but **Jack** was ...cont'd

...cont'd especially good, and **Maxx** was running them down too. Our tries were brilliant, as **Jack, Maxx, Alex** and **Ivan** outran the Dockers.

One strange thing – at the try line **Ivan** stopped because the referee on the adjoining field blew his whistle, we all yelled 'play on' and he scored. We could not hear any of our referee's calls nor could the Dockers who were coming in late and heavy. Not safe. Not fun.

One great thing was runs by **Cruz**. I've seen photos of Jason playing, and seeing **Cruz** palm

those big guys and carry the ball forward was a 'that's his father's son' moment. Can't hide talent forever!

Let's not discuss third period because we had that sideline issue again. Discuss instead **James** and **Alan**, who did great work at dummy half providing ball to the older kids all game – without getting a chance for an easy try and five bucks from Mum (despite the best conniving by the coach). **Alex** got in the way and passed the ball to **James** who was the designated dummy (sorry 'Acting Half Back') and he was absolutely

smashed by a really fast, big kid. No ambulance for **James**, he's a footy player so he just wiped off the dirt and played on for the exhausted team – no training, no fitness.

So proud of our **Red-Hot-Super-Sixes** - and check out our **White-Hot-Super-Sixes**.

Tries: **Ivan** (3), **Jack, Maxx, Alex**.

Captain: **Maxx**, Most Valued Players: **Tylah** (3) **Jack** (2) **Maxx** (1) **Cruz** (1)

**Richard Copnall, Coach**

## U7s - Starting to Fire Up!

Our boys played the Enfield Federals and was a thriller of a match - probably our best all season!

Hughie was our first try scorer and kicked a terrific conversion.

Whilst our boys were really working on their defence today, Enfield were quick movers and pounced on those moments our boys momentum lapsed.

All the boys made some wonderful tackles, such determination in this match - Motivated from last week's great game, which was really the

first match this season where the boys came together as a team.

Blake used his size to duck low & avoid being tackled - he just disappeared before the opposition's eyes! While Hugh pushed them out of the way, causing a few dropped balls, much to the Hawk's delight.

Our Powerhouse player Tyran found a break and went in for another try - He makes it look so easy.

Soon after our try scoring machine

Thomas went in for the team's final try and backed up with a conversion.

The parent's were highly spirited on the sideline - we played a good team in Enfield & the Hawk's played like never before - With so many terrific plays in this match - I must mention that whilst they may not have scored a try, Patrick, Jack, Tyler & Macey were pivotal in all aspects to make this the match it was.

**Melissa Cooke, Manager**

## U8 Reds - Impressive Against Raiders

**A little chilly at Airey Park last Sunday.**

Our mighty U8 reds were champions today against the Strathfield Raiders in what was a very even contest (despite the for and against).

Our boys were strong across the field with stand-out performances by Tony who made a number of line breaks giving us good field position; Charlie A who made a whole bunch of cracking tackles slowing down the attack; and Luke

who consistently broke the defence and always looks like a certain try when he has the ball.

Tyson put in his usual consistent performance and as usual came up

trumps with a quick-thinking try. Jai's game was awesome as well and he always manages to play beyond his small size.

Cameron continues to play outstanding football always running straight and tackling low. He is also not afraid to get up, chase and tackle again if he misses on the first attempt - brilliant!

Our charging bull Finn had a great game (measured in metres of course!) and Charlie M put in his

usual solid defensive effort...usually saving tries.

But our man of the match today was Ryan Smith who continues to develop into a key player within the team - he knows how to run and he knows how to tackle and today he did great on both fronts. Nice work!

Our attack is very strong and we always look dangerous when the ball is in our hands. With continued focus on defence our game will round out a lot more.

Raiders were largely a one-man team and stopping the momentum of a player larger than ourselves is always going to be difficult but our boys gave it their best and for that we are very proud.

**Narelle Randell, Manager**

**Cactus Imaging**

## U8 Whites - Superb Team Effort

It was a beautiful day at Birchgrove Oval for us to take on Five Dock RSL and it was our best game so far this year. It was a superb team effort with six different try scorers. Special mention of Michael Lorenti who scored a hat trick and for Max Stallard who was our player of the day with some strong runs,

one of them giving him a try. Most pleasing was our defence which keeps getting better each week. All players were coming up quickly to make the tackles. I'm very proud of you boys, well done!

**Greg Erofeyeff, Coach**

**Cactus Imaging**

## U10s Returning to Form

**Ultimo Concrete Constructions Pty Ltd**  
A.C.N 074 926 960 C.D.N 78 074 926 960  
License No 77411c

**Man of the Match**  
**Joshua Mayo in**  
**action.**

Today we finally had the opportunity to play PCYC, one of two teams we have not played and defeated this year and our team of legends did not disappoint.

It was however, a game of two halves, the first being a little lacklustre defensively, going into half time with a narrow lead.

The second half however was more of what we have come to expect from our boys with our attack more focused and our defence stronger and more committed.

A large part of this can be attributed to Nathan who arrived on the field like a bull looking for a fight and every time the ball was in his hands he broke the line and had a cracking game.

**A hat trick for charging bull Luke Bryant.**

James was his usual outstanding self scoring two tries, consistently making many, many metres when he had the ball and then backing up to

tackle like a front-rower.

Similarly, Aiden is a sprinter and a powerful attacking player who made his presence felt as soon as he put foot on the field.

Luke today cemented his footballing greatness with his never-miss tackling and his barnstorming runs giving him a trifecta of tries.

Oscar had an out of this world game and seemed to be amongst everything - hard and heavy!

But despite the hot competition however, our man of the match was Joshua Mayo who ran straight and ran hard and put in a performance that pleased his coach (and proud dad) greatly.

Conan messed with the PCYC attackers causing them to duck and weave whilst Cameron never fails to give his all when making one of his many hit-ups.

We cannot overlook the brutish tackles made by Joel not to mention the powering runs he made up the middle - a very solid, very consistent player is our Joel.

Regan continues to impress and is always dangerous (to

the opposition) when the ball is in his hands.

Lachlan put on a number of hard hits and Billy, the little General, directed the team around the field nicely. He has also perfected his little grubbers on the last tackle.

Tom had a workout on the wing and thankfully he was up to the battle and his speed ensured that any that got through were quickly pursued.

No match report is complete without reference to Max, one of our littlest team members, who manages to play a game far larger than himself every week.

Our game of defence was far stronger in the second half and it made all the difference. It left us in a better attacking position and as a result we scored three tries to their one....much better.

This weekend we have a bye but we face the very strong Strathfield Raiders the week after and we need to be prepared for that battle. Onya boys!

**Narelle Randell, Mother and Avid Fan**

# U11s - Doing Us Proud in Division 1

**RYAN WILKS** PTY LTD  
 mechanical | electrical | building | air conditioning | fire  
 1300 340 124

**The Legends (u10s) give the Dream Team (u11s) a guard of honour onto the field.**

and **Nathan** belting out some great tunes in spectacular style, and what a great way to wrap up the afternoon, I'm sure we'll see a lot of these three gorgeous boys in the future!

This past Sunday our Dream Team took on Holy Cross Gold down at Birchgrove Oval on a beautiful, sunny Sunday afternoon.

Lo and behold our Dream Team had their first encounter with Super-Ref Pauline, good to see her doing such a wonderful job and no boys and girls, you won't get away with that, she doesn't miss a trick, does she....but then again the other side didn't get away with anything either.

Our Dream Team went down by a score of 4-34 with our lone try being scored by **Steve**, and good to see that no matter what team we play with Holy Cross no exception, it will always take a whole line of players to bring him down and a good Sunday special from **Steve** always brings the biggest grin to the writer's face.

Another well deserved man of the match went to our little champion **Max**, and the way our **Max** has been tearing up the field this season the writer has to ask if **Max** even has any studs left on his boots? Way to go **Max**, it's a pleasure week after week to see you come further and further every game.

Points this week:

3 – **Max**

Never despair boys and girl, you are where you are meant to be, and are an up and coming force to be reckoned with in first division. Throw you heart on your sleeve and keep trying every week just as you have been and you'll come up with a victory, this writer has complete faith in every single one of you.

This writer would have to give a

special thanks in the spirit of good sportsmanship to our opposition Holy Cross in coach AJ, who is a close friend of the writer and the Great RR, and had his team wear pink socks in honor of my late mother's passing anniversary...the writer thought this a big ploy at first and dirty tricks to get himself invited to dinner, but admittedly at first sight of the pink socks the writer's heart melted into a highly over-sized puddle, and it's so nice to have good friends on the opposition, all in the spirit of good play.

The writer also notes that my late mother is the would-be mother-in-law of the great RR, so whenever the great RR hears thunder and sees lightning in the sky at our house he does get scared....

The writer, and on behalf of all the parents of our Under 11 Dream Team would like to thank **Coach Bee** and the **Two Robs** for their usual tireless efforts (and of course patience) with our kids! See you next week.... and a wish of luck to our Dream Team this Sunday when they take on Five Dock - **Never ever give in and never give up!**

**HAWKS HAWKS MIGHTY HAWKS!**

*Heidi Ryan, Mother and Avid Fan*

## The Slink Is Back...

Can anyone guess the Hawk parent amongst us that was once a Roller Derby Queen? The Slink can give you a clue, her Derby name was "ATOMIC SUZE".

Hmmmm.....

The writer this week will make an attempt at a two-week report as she unfortunately couldn't make the grade on the report deadline last week, and profusely apologises to our Under 11 Dream Team, I'll do my best to recap our last two games.

On the previous Sunday our Dream Team took on the Strathfield Raiders at our home ground on the main field but unfortunately went down by a score of 4-22.

Our lone try was scored by one half of our duo of double trouble **Nick**, and we have since received the devastating news that **Nick** has broken his wrist and will be out for the remainder of the season. An unfortunate accident and you certainly will be missed **Nick!**

A well-deserved man of the match went **Max** who is still enjoying a season of landing everything he sees on its backside and a pleasure to watch, well done **Max!**

The writer would like to make special mention of three of our illustrious Under 10 team who stepped up to help our team during the holidays, being the delightful **Oscar Manning**, **Joel Price** and **Nathan Moujalli**, thanks boys!

Points this week:

3 – **Max** and **Cooper**

How about our own local talent in the S3? It was a pleasure to watch (and have a dance to) **Ray**, **Steve**

*"How about our local talent S3? It was a pleasure to have a watch (and a dance to) Ray, Steve and Nathan belting out some great tunes..."*

## U12 Reds: Hawks 30 - Holy Cross 6

It was a nice early start for the Hawks on a beautiful sunny Sunday morning at Birchgrove Oval. The birthplace of Rugby League and the worst place to park at, or watch a game of football from in the Balmain district.

It was a good tough opening to the under twelve local derby against Holy Cross with the first points on the board not coming until the ten minute mark courtesy of a run-away Eddie Frankish showing too much pace once again.

The second try of the day had the punters on their feet and the hill murmuring about the possible try of the year? It was a last tackle play that saw a good kick from the boot of Zac Murray being well supported in the chase by Shannon Condon and Patrick Russo, the ball bounced just short of the fullback and bobbled awkwardly which allowed a flying Shannon to scope up the loose ball and break through the tackle and with only one to beat. Shannon committed the wing to the tackle and offloaded a perfectly weighted pass to a perfectly positioned Patrick Russo who then raced over ahead of the covering defence to score a magic try out wide.

With only two tries in the first half, it was the Hawks improved defence that got us to the half

time break with a narrow ten nil lead. We lost Hamish Nicol at about ten minutes in with a shoulder injury (which has now been confirmed as a broken clavicle bone!) and with no forward subs on the bench everyone had to dig deep.

Jack Beale stepped up to the very unfamiliar roll of front row and had another great game this week. Well done Jack, excellent work! Anthony El Koura continued on his good form with another good effort in both attack and defence and Max Campbell took the chocolates this week giving us a reminder of what he can do with his best running game of the year so far.

If the Hawks were a little flat in the first half they looked much more assertive in the second stanza. The away crowd were very vocal in regards to the penalty count, but if you continue to be offside and you tackle high, I like to think that you are going to be penalised. I take my hat off to the Hawks who kept their cool under all conditions today and didn't retaliate or get caught up in anything out there other than football.

Jett Allen proved he is getting stronger every week. Back with more strong running on Sunday and a nice try to cap things off. It was good to have Scott Baxter

back in the team who was unlucky to not score himself. Max Strawbridge ran well when needed as Adam Price took on the line with great rewards, making good metres up the middle. Jack Bell had another great game this week highlighted by his perfectly placed grubber kick on the line which Shannon picked up neatly and scored under the posts, as well as Jack grabbing a try for himself. Shannon Condon had a superb game. His passing game was again on song this week, resulting in him setting up several tries. Billy Flynn took on a big workload this game, making up for the absence of Hamish with countless hit-ups and found the line himself just before the bell.

Another good performance Hawks! I hope that we can continue the momentum through the rest of the season.

**Match day Captain:** Pat Russo

**Man of the Match:** Max Campbell

**Tries:** Eddie Frankish, Pat Russo, Jett Allen, Shannon Condon, Jack Bell, Billy Flynn

**Conversions:** Shannon Condon, Jack Bell, Zac Murray

**Dave Murray, Coach**

### Captains Note:

*It was a sunny morning down at Birchgrove and the team was getting ready for today's game. The game against our old rivals, Holy Cross was a successful victory with 30 - 6. Eddie was our first try scorer for the game, followed by myself. In the last 5 minutes of the first half we could have gotten in another try, but made some mistakes. It was 10 - 0 at halftime. The second half was a better game with the tries to Shannon, Jett, Billy and Jack Bell. In the second half unfortunately Holy Cross got one try in, but we kept going. In the last half, Holy Cross gave us a more challenging game, but Hawks still pulled out with the win. Goal conversions by Shannon, Jack Bell and Zac. A great game played by all. Man of the Match was awarded to Max as he played to his very best.*

*Patrick Russo*

# **Griffin** AIR CONDITIONING

## U14 Hawks Maul the Dragons

### Nth Ryde Hawks 50 v Earlwood 10

After many weeks of wet weather, no training and limited player numbers we finally gathered for a Sunday in the sun at the "home of League" Birchgrove Oval, a ground we have played at three times this season.

To say I was worried about what was going to happen was an understatement, the warm-up was terrible, it was like the first game of the year with 17 players who had never met.

From the kick-off we were slow out of the blocks but we defended the first set forcing the DRAGONS to kick from deep inside their half. For the next 8 minutes we traded sets with Earlwood, but it was the next 4 minutes that gave me hope, we defended 3 sets of six tackles and our defensive wall held up and on the back of solid defence we scored the first of TEN tries for the game, with M.O.M Mohammed Zreika scoring his first of two tries for the game from a planned scrum move, brilliant coaching some may say!

From this point we started to play some good football and played to a plan using all our plays and this saw us score two more tries to Josh X and Chris, then on the stroke of Liam's Bell, Josh C scored another try from a scrum move, this even impressed the Gazelles.

The highlight of the half was watching Andrew Bowman step his way through the defence and towards the biggest human on the field, Andrew's eyes were like dinner plates but a well time left foot step saw Andrew escape without a scratch. 16-4 at half-

time having completed 15 of 16 sets.....near perfect!

Halftime was all about defence and if we concentrated on defence the tries would come ...how right the coach was. We also set out to target the two biggest humans on the field in attack, some may say a crazy plan, but it worked.

The Saints kicked off to the HAWKS and with one perfect "hollywood" set Robbie targeted the biggest human and with a smart left foot step, left him grasping for air and the HAWKS were away.

From this point we were unstoppable in attack with Blake, Andrew and Josh T steering the team around the park with Tries to Chris, Tom x2, Mo & Zac. Goals were kicked by Zac x2, Mo x2 and Richard. This result was set up by our forwards in the first 15 minutes, Josh T, Harry, Chris, Josh C, Mo and Robbie laying the platform with strong running and awesome defence.

The second half we had the ball for 15 sets, scored off 6 sets and completed the other 8 sets. A special mention to Kobe Thorson who showed great restraint in difficult circumstances and then showed controlled aggression from the next hit-up...well done Kobe!!

**Tries:** Mo x2, Tom x2, Josh X, Josh C, Chris x2, Robbie, Zac.

**Goals** Mo x2, Zac x2, Richard.

All this without training together for many weeks and not as a full squad since April, look out when we hit the training paddock as a squad. Can I thank all the players/

families/friends who attended the SUNDAY rap-up again we had the most players there, and congratulations to the **Great HH** for his rap-up.

Congratulations to Robbie, Tom, Zac and Josh C who represented the Club in the Tigers U 14 Development games over the last two weeks, they were a credit to the Club and their families.

On the Rep front can I congratulate Beau Allen & Hayden Johnston on their selection with the Wests Tigers CUBS, both are former HAWKS still with a very close association to the HAWKS.

Thank you to the Great RR for his Sunday Rap under difficult circumstances; ironic how on the same day 2GB lose power, RR doesn't have a mic or get the last meat pie at Birchy. Tough day for the Great RR.

Our **Round 13** game is an away game against a much improved WANDERERS who will be looking for payback from our first meeting. With four rounds left, this is an important game. With four rounds remaining and looking into the Crystal Ball things don't look good to play a HOME GAME at TG MILLNER this year, a situation I know **other** Clubs find hard to believe.

Can I thank all parents/player/supporters & sponsors with your patience and understanding over this issue.

*Halftime was all about defence and if we concentrated on defence the tries would come ...how right the coach was.*

**Ernie (coach)**

## U17 - Pumas Punish Hawks

Back to Birchgrove for a long awaited game of footy after all the rain, the Under 17's took on Regents Park for the second time this year.

The boys were geared up early for a belated team photo and did look the goods in full uniform, after an extended warm up we finally took the field and started the game with some really positive sets completed.

There was a good feeling in the air as the boys were playing to the strengths and getting good field position and defending their line for the first ten minutes until the Pumas scored first points to take a six point lead.

After regrouping the boys competed well with some positive plays and a couple of penalties to

gain good field position, then a lack of talk let the opposition go over for a soft try to go into the break leading twelve points to nil.

The second half started better than the first with big T.J crashing over for the Hawks first and only try of the game which was converted by Daniel Sparrey from the under 16's.

Again the boys were looking like they were ready for a couple more tries but unfortunately lack of composure and too much dropped ball cost them dearly with Regents Park scoring again to put the game out of reach and winning thirty points to six.

It was a strong effort as usual by the team but once again with very little training we were just not good enough. Special mention to

Gary Sommerville coach of the under 16's for letting the six boys from his team fill our usual empty bench and help us out.

Thanks Jordy, Daniel S, Dan C, Massey, Cameron and Alex for the run.

See you all at training.

Players Points:

3 Josh Cosgrove; 2 Andrew Davino; 1 Reece Castledine.

**Butchy, Coach**

## Bundy Cup - Any Win is a Good Win

Burwood North Ryde United put the cleaners through bottom placed Kingsgrove last Saturday at Beverly Hills Park. The ground surface was terrible and this was the main reason why an in form United team didn't win by 50 plus.

Many of the stars from United's match last week were taken from them to play for the Tigers Toyota Cup so this was a much different looking team. In the match Nathan Scarano was a revelation playing in the centres, scoring 3 tries and setting up 2 others.

Beau Bovis also proved his worth with a dominating display in the forwards. Benji Marshall's little

brother Jordon Marshall-King also showed dazzling footwork as he cut Kingsgrove to pieces with his runs from fullback.

In the end United did enough to win but this wasn't their best display, they definitely need to play better to beat the top teams. Next Sunday United play Auburn at T.G. Milner which is likely to be a bruising encounter.

Burwood North Ryde United 36, defeated Kingsgrove 18.

Tries – Nathan Scarano 3, John Caldwell 2, Jordon Marshall-King and Joe Uluibau.

Goals – Hamilton Hughes 4

Dally M Points:

Nathan Scarano 3

Beau Bovis 2

Jordan Marshall-King 1

**Aaron Zammit, Coach**

*The Bundy Cup team are at home this Sunday 22nd of July. Coming off a big win, our United side is looking for a massive game against Auburn who sit just above them on the ladder.*
